Subject: RE: Gaza - humanitarian aid - FCDO contact

Hi [redacted] and [redacted],

I hope you're both doing well. I'm reaching out regarding the concerning allegations at the weekend regarding UNRWA and the UK government's decision to pause funding to the agency. I note in a statement released on Saturday by FCDO that the UK remains committed to getting humanitarian aid to the people in Gaza who desperately need it. We would be grateful for any updates on this and also if you have any sense under what conditions you would expect funding to be reinstated to UNRWA?

If easier to chat through I'd be more than happy to arrange a call.

Many thanks in advance,
[redacted]
